🐙 SChakraborty04

Summary

Aspiring Full Stack Developer proficient in **C/C++**, **JavaScript**, **Golang**, **python** and **PHP**. Passionate about **web development**, **data analysis**, and **scalable systems**. Strong **problem-solving skills** with hands-on experience in building secure and efficient applications. Enthusiastic about **competitive programming** and **continuous learning** to drive innovation.

Education

Kalinga Institute of Industrial Technology

2022-2026

B.tech in Computer Science and Engineering

- CGPA: 8.44

Kalyani Central Model School, CBSE

10th and 12th

- 10th Percentage: **93**
- 12th Percentage: **89**

Internship

Defence Research and Development Organisation (DRDO)

December 2024 - January

Web Development Winter Intern at SSPL, Delhi

2025

- Automated their HR management system.
- Implemented best practices such as re-usability of code, secure code such as sanitization of inputs, secure session management, password encryption through hash.
- **Technology Used:** HTML, CSS, JavaScript, MySQL, PHP.

Projects

Real-time Chat Application

- Developed a multiuser realtime react chat app using appwrite and cloudflare with ability to edit and delete messages in realtime.
- Tools Used: Reactjs, Appwrite, Cloudflare, reactrouterdom.

AppwriteBlog - A Multiuser blog — React,Appwrite

- Tried to make it production ready and also used best code practices like store,redux and router.
- Tools Used: Reactjs, Appwrite, Cloudflare, reactHookForm, TinyMCE editor.

2048 - Game - A terminal based C++ Game

- A 2048 game implementation in C++ with data structures and algorithms (DSA) concepts, showcasing logic-building and problem-solving skills.
- Tools Used: C++, vscode.

Technologies

Languages: C++, C, JavaScript, Reactjs, Golang, HTML, CSS, Tailwind, Python

Technologies: Threejs, Appwrite, Supabase, Vite, CursorAI, ReactHookForm, TinyMCE, GIT/Github

Achievements

- **AIR 74** at CodingNinjas Codekaze'24
- **3 ★** Coder at [GeeksforGeeks](#)
- **2 ★** Coder at [CodeChef](#)
- **Newbie**(Max 1198) at [CodeForces](#)
